23. Give three observation / suggestions to improve the overall teaching learning experience in any subject in this semester of your institution.

They have teach every subjects usefulness and they they have to give some examples for understanding

Need Improvent

Good teaching, encouraging students and problem solver.

1Observe the students at their understanding level .2.)Make them intrepret many situations regarding subjects .3.)Make a good relationship with students and their problems

Proper notes to the student, 2 teachers should interact with students after the examination 3

Online class didn't understand the proper concept...

Didn't understand that proper constrate tha online classes

1. Improve your online class teaching 2.you have interaction to your student 3. Please avoid online calsses

Good teaching staffs

1st cover the full syllabus in the given subjects, In the practical the lab equipments are not working properly, every year we are given a money for the new lab equipments but they can't. so please change it and buy a new equipment or apparatuses for our lab. Improve and go to the IV outreach for experience of the students and Improve the department library and allow the students to read the book. Sometimes Unfortunately the classes are not taken. Improve the drinking water facilities. Improve the Privacy for the students. If the college is started at a time the gates are closed at a same time unwanted members are not allowed in the college campus unnecessarily and give the instructions and improve the Privacy for the students. Sometimes notices circulars are not received by the students so please improve it.

Upgrade to our teaching skills to next level like projector and monitor. Increase to our lab facilities and apparatus
-
Everything is ok no need change

Everything is ok . No need to change.

Use the online class wisely and use the pot to explain . Change the online class timing to improve students attention

Continue the same way
